

## **Finding North: Five Pillars of Success for Schools Through an Unpredictable Year**

Through a pandemic, recession, and widespread civil unrest, district leaders could be forgiven for simply putting on a hard hat and trying to survive each week. But leading through uncertainty requires a longer-term view and a clear vision of the objectives that will define success, and EAB has worked with dozens of district leaders to clarify the objectives that schools should remain laser-focused on no matter how the surrounding landscape unfolds. Download the slides we presented at the BASA Fall Conference to learn the five pillars of success for the 2020-21 school year and take away actionable strategies to make progress towards your goals: <https://pages.eab.com/BASA-five-success-pillars-on-demand.html>.
