

OALSS CONFERENCE

January 17-18, 2024

Renaissance Columbus Westerville-Polaris Hotel

DON'T MISS THIS PROFESSIONAL LEARNING OPPORTUNITY

This two-day conference is designed to bring superintendents together to learn about current topics impacting our schools and the education landscape, as well as resources to support you and your teams. In addition to keynote and breakout sessions, there will also be time for attendees to connect and network with others.

UNLEASHING PASSION, PURPOSE, AND PERFORMANCE IN YOUNGER GENERATIONS

Purpose-driven education and training are the heartbeat of an inspiring call to action. Though they're often painted in a negative light, today's young people have incredible potential to change the world. We just have to unleash it. Students who experience education with purpose can then pursue employment with passion—which they need now more than ever. As the skills gap widens, we must tap into the vast creativity, intelligence, and potential of the next generation. Mark delivers key insights on how they think, what makes them tick, and how they make decisions. Mark will show you how to connect, engage, and answer why to inspire their greatest effort. With clear action steps you can implement immediately both in your home and professional life, Mark's message will help you motivate young people, move them from static purpose to active purpose mode, and empower them to achieve at higher levels.
